

TRIENNAL AND FELLOW AWARD SESSION

27th AUGUST 16.00-17.00

Florence, Palazzo dei Congressi, Auditorium

Chair: Eric Min-yang Wang (Taiwan)

1. IEA Fellow Award

Introduced by Eric Min-yang Wang

Presented by Yushi Fujita

2016

- Alan H. S. Chan, Hong Kong Ergonomics Society, Hong Kong
- Henk F. van der Molen, HumanfactorsNL, Netherlands
- Johan Molenbroek, HumanfactorsNL, Netherlands
- Ole Broberg, Denmark
- Wen-Ruey Chang, Human Factors and Ergonomics Society, USA

2017

- Kazuo Aoki, Japan Ergonomics Society, Japan
- Nancy J. Cooke, Human Factors and Ergonomics Society, USA
- David Rempel, Human Factors and Ergonomics Society, USA
- Knut Inge Fostervold, Nordic Ergonomics and Human Factors Society, Norway
- Veikko Louhevaara, Nordic Ergonomics and Human Factors Society, Finland
- Richard Wells, Association of Canadian Ergonomists, Canada
- Martti Launis, Nordic Ergonomics and Human Factors Society, Finland

2018

- Ravindra Stephen Goonetilleke, Hong Kong Ergonomics Society, Hong Kong
- Margaret Catherine Graf, Swiss Ergonomics Association, Switzerland
- Sung H. Han, Ergonomics Society of Korea, Republic of Korea
- Barbara McPhee, Human Factors and Ergonomics Society of Australia, Australia
- Kageyu Noro, Japan Ergonomics Society, Japan – Received by Takashi Toriizuka
- Daniel Ramaciotti, Swiss Ergonomics Association, Switzerland
- Riccardo Tartaglia, Italian Society of Ergonomics and Human Factors, Italy

2. The IEA Distinguished Service Award

Introduced by Eric Min-yang Wang

Presented by Yushi Fujita

Awarded to: Roger A. Haslam, Chartered Institute for Ergonomics and Human Factors, United Kingdom

3. The IEA Outstanding Educators Award

Introduced by Eric Min-yang Wang

Presented by Yushi Fujita

Awarded to: Peter A. Hancock, Human Factors and Ergonomics Society, USA

4. The IEA Award for Promotion of Ergonomics in Industrially Developing Countries

Introduced by Eric Min-yang Wang

Presented by Yushi Fujita

Awarded to: Gaur Ray, Indian Society of Ergonomics, India

5. IEA Human Factors and Ergonomics Prize

Introduced by Eric Min-yang Wang

Presented by Yushi Fujita

Awarded to: The Ohara Memorial Institute for Science of Labour

o Received by Kazutaka Kogi

o Received by Yumi Sano

6. The IEA IEA Elsevier John Wilson Award

Introduced by Eric Min-Yang Wang

Remarks by Pierre Falzon TBC

Presented by Timo Bazuin, Elsevier

Awardee: Pascale Carayon, Human Factors and Ergonomics Society, USA

7. The President's Award

Introduced by Eric Min-Yang Wang

Presented by Yushi Fujita

Awardee: Klaus J. Zink, GfA, Germany

KU SMITH AWARD SESSION

28th AUGUST 09.45-11.15

Florence, Palazzo dei Congressi, Auditorium

The K.U. Smith Student Award Presentation

Introduced by Eric Min-yang Wang

Presented by: Thomas J. Smith and Pascale Carayon

Methodology for Optimal Workplace Design Using Digital Human Modeling and Considering Ergonomics and Productivity, Yaar Harari - Israel - Ben-Gurion University of the Negev

Design and Evaluation of Automotive Shared Control in Safety-Critical Situations for Safe Lane Change, Husam Muslim - Japan - University of Tsukuba

Employing a Game Engine as a Simulation Tool for Ergonomics Analysis, Design, and Education: An Exploratory Study, Esdras Paravizo - Brazil - Universidade Federal de Sao Carlos, “

Intra-Rater and Inter-Rater Reliability of the Rapid Entire Body assessment (REBA) Tool, Adam Schwartz - USA - University of Minnesota

IEA/Liberty Mutual Lectures
29th AUGUST 09.45-11.15
Florence, Palazzo dei Congressi, Auditorium

Introduced by Eric Min-yang Wang

Remarks by Klaus J. Zink

Presented by Antonio Sacchi, General Manager, Italy Liberty Global Group

Awarded to:

Pieter Coenen (the Netherlands), Idsart Kingma, Cécile R. L. Boot, Paulien M. Bongers, and Jaap H. Van Dieën. Cumulative mechanical low-back load at work is a determinant of low-back pain

Received by: Pieter Coenen, 2016 recipient

Stephen S. Bao (USA), Jay M. Kapellusch, Andrew S. Merryweather, Mathew S. Thiese, Arun Garg, Kurt T. Hegmann, and Barbara A. Silverstein. Relationships between job organizational factors, biomechanical and psychosocial exposures

Received by: Stephen S. Bao, 2017 recipient

Patrick G. Dempsey (USA), Jonisha Pollard, William L. Porter, Alan Mayton, John R. Heberger, Sean Gallagher, Leanna Reardon, & Colin G. Drury (2017). Development of ergonomics audits for bagging, haul truck and maintenance and repair operations in mining

Received by: Patrick Dempsey, 2018 recipient
